Kids Parties

NEVER SOUNDED SO GOOD

# Looking for a place to throw the ultimate birthday party?

Set your little popstars free on our immersive music video inspired golf course. Your child's favourite party playlist available on request. Perfect for unforgettable photos, happy kids and treasured memories.

# Crazy golf inside a music video

Turn your party into a platinum experience! With 9 stunning music video themed crazy golf holes, your kids can strike a pose, explore their inner popstar and take home the ultimate selfie collection.

Each hole is completely immersive and purpose designed for memorable photos, with gameplay that's easy enough for kids but challenging for adults.

# Perfect Shots

Featuring 9 immersive backdrops, inspired by the landscape of pop, kids love expressing themselves on our unique and colourful crazy golf concept, so a phone full of memory making snapshots is guaranteed.

# The future of fun

Over 13s will have a blast playing darts with a difference on our hi-tech AR smart dart boards that do the scoring for you.

Choose from 9 fun, interactive games and 3 difficulty settings then shoot your shot to see who comes out on top!

# Pop gives you wings!

We've partnered with Korean inspired street food provider WingWing to deliver a menu that's super tasty, surprisingly healthy and mighty krispy. Choose from chicken skewers, mini chicken burgers or tofu skewers all served with a side of banging fries.

Partner that with your choice from our range of Hartridge's soft drinks, juices and pop themed mocktails.

# Fresh music

Founded on the belief that nothing brings people together like music and play.

All our events are supported by expertly curated playlists, serving up nothing but bangers, positive vibes & 21st Century Pop to get your little popstars moving!
