Corporate & Private Events

Set in Royal Leamington Spa and following a complete refurb from its original purpose of a united reform church, The Fold is now a central location to host events. Most original features of the building have been retained in the process, making it a stunning space for birthday celebrations, summer parties, Christmas parties, receptions, product launches, teambuilding and much more.

With an outside patio to enjoy in the warm summer months, as well as a large open plan ground floor with ample lounge seating, every season is covered. The interior is a bold, textured and eclectic reimagining of a Grade II listed building designed by multi-award winning interior designer Alan Ellis.

Maximum capacity – 150 standing
