## Welcome to The Bull

Standing on the corner of Sheep Street since early 1500s, it has been the cornerstone of Charlbury for centuries. It has seen many iterations over the years, however, its charm and character have remained.

Primarily a local pub serving good beer, we also have a restaurant centred around open fire cooking.

At The Bull we want to cut out the middle man. We have daily conversations with our farmers and growers which means our menu is constantly changing.

## Our Spaces

Our restaurant can accommodate groups of up to 20 guests. For a more intimate setting, our secret garden room provides an elegant backdrop for gatherings from 12 to 30 guests.

For larger celebrations, please get in touch to discuss options available.
