BARN

"Thank you from the bottom of our hearts for providing such a personal experience and helping us create memories that will last a lifetime x"

Ross & Leila

Let's begin by painting a picture.

Of smiles and laughter and tears of joy.
Of a couple in love and guests having fun. Of a
wedding breakfast that's more like a banquet.
Of a venue that's sublime, service that's exemplary
and a day that's altogether perfect

Changing Room and Honeymoon Suite

It's your wedding day, at last! After months of planning, your special day is finally here and what better way to start it, than with your family and bridesmaids in the most glamorous of rooms. Early morning 7 am arrival for your hair and makeup; a champagne breakfast with homemade pastries from our kitchen.

Your photographer capturing the fun of getting ready, whilst you enjoy being pampered. After your Big Day, a stunning luxury self-contained Honeymoon Suite in the farmhouse is available for the couple to stay overnight, which is the perfect end to a very special day.

“Your personal style, care & attention is something we’ll never forget - that’s what sets you apart from the rest. x”

Civil Ceremonies and Partnerships

This charming 200 year old Redbrick Barn is licensed for up to 105 guests. With its floor to ceiling glass sliding doors, you have open views across the gardens on one side and the magnificent Timbered Barn on the other. Coloured uplights in the stone flagged floor create a magical atmosphere and the Bose sound system fills the room with breathtaking music as if an orchestra were in the galleries. For Church weddings, it is also a beautiful rustic entrance for you and your guests, whilst for larger ceremonies, the Timbered Barn is licensed for up to 160 guests. Outdoor weddings are available anywhere within the curtilage of the property or with our Oak Pergola.

*"The Barns looked so beautiful,
it took my breath away x"*

Lounge Bar & Snug

The contemporary Lounge Bar is a great area for welcome drinks on arrival or for guests to relax in after your wedding breakfast. The glass reception allows warm sunlight to flood in, creating an open airy feeling.

On cooler evenings or winter days, the cosy 'Snug' with its heavily beamed ceiling, creates a beautiful tranquil space for your guests to relax in comfort on the gorgeous sofas and chairs. With the wood burning stove lit, it's ideal for grandparents and little ones to nestle in quiet comfort, whilst the rest of the guests party the night away in the Timber Barn.

The fully licensed Bar boasts a huge selection of drinks, including real ales and all at local pub prices!

Courtyards

As you sweep up the gravel driveway, guests will be greeted by our Front of House Manager with a welcome friendly smile. The old apple press is a beautiful centrepiece for photos with backdrops of fields and wild flowers. The rear courtyard provides a relaxed and informal feel for your drinks reception. Parasols, outdoor furniture and trickling water feature create a tranquil atmosphere. Giant garden games such as Jenga, Connect4, soft football or perhaps croquet and boules on the play lawn, keep those more active guests and children entertained too! In the evening, lanterns light up the covered pergola. A guitarist plays in the background, whilst your guests chat and laugh. Romantic oil burning torches flicker in the flower beds and festoon lighting hung in the trees, all create a truly magical setting during those long summer evenings capturing the last of the sun's warmth.

*“We loved the menu
created by Anthony -
thanks for making it
unique & perfect! x”*

No food or drink 'packages' exist at Redhouse Barn. During your viewing of the Barns, we will chat through all the things you love to eat and provide a guide cost for food, drink, staff and linens.

The real joy of creating your own bespoke menus will begin with a private meeting with Chef Anthony, who will design your wedding breakfast, providing you with complete flexibility in your choices for the day.

continued...
