"Holy COW!! have to share what a wonderful experience the EA REWS Team had last week at Meet Space VR Guilford! Chris, Shawn, Ethan, Jess and Susi were phenomenal hosts. We could not have been better cared for and entertained. We had a very large group and the entire evening was well planned, organized and coordinated. Highly recommend!!"

"Took a team of 24 people to Guildford for a company work event. It was initially met with scepticism as the activity was untried by anyone and we have quite a wide age demographic. Everyone had a great time with the VR games and the pizzas were amazing. Thank you to Chris and his team (Jess, Ethan, Susi and Paz) for looking after us"

"I went here with my work buddies to surprise them with an event (VR). I had emailed them to see if they could meet my budget and everything went smoothly. I will definitely be back again and we had a blast!"
