## GUEST REVIEWS

Great wine bar to enjoy with friends and family. If you haven't been to Bank House yet, don't wait any longer: it's our go to place for a friends dinner (big or small groups) to enjoy quality wine and food, family meal after a long dog walk (yes, furry friends welcomed) or a romantic evening. The staff is always exceptionally friendly, the whiskey sour is the best in Kent & London and the wine selection is what you would expect of a quality wine bar in central London.

Absolutely loved our first visit, will 100% be returning and have already been sharing our positive experience with others. The welcome from Stuart on arrival was an instant hit! The atmosphere - really loved the feel and vibe, staff friendly, attentive without being over attentive - a good balance. Food was delicious - looking forward to coming again soon!
