Drinks Packages & Bar

At Bowerchalke Barn we feel your drinks package is a big part of your wedding day and with this in mind, we offer a cost effective and completely hassle-free way to provide drinks in just the right quantity for your wedding. We offer three classic drinks packages, The Bronze, The Silver, and The Gold as well as a reasonably priced, fully stocked licensed bar served by our professional bar team as part of the package which can be a pay bar throughout the day and evening.

Our packages include a welcome drink, a toast drink, red and white wine on the table all served by our team and all glassware for your day. The bar can be open all day for guests to buy further wine, extra drinks and any drinks for after the meal. If you wanted to treat your guests to a drink or two behind the bar we have the option to set up a tab, with guests moving onto a cash/card once the tab has been spent.
