Our Food Development Director works closely with our suppliers bringing to the table the current seasons offerings, carefully prepared with classic ingredients and the finest local produce.

We pride ourselves in providing the best possible service and you will work closely with our Food Development Director in tailoring the menu to your desires. You will be able to taste and choose on the required menu that you are after. We ask that you choose one set menu for all guests; the same starter, main and dessert course. Whilst we request that you choose the same menu for the whole party, we are always able to create an additional menu for those with special dietary requirements.

Our menu's start from £39.95 per person, for 3 courses. We would be delighted to discuss the possibility of offering your guests canapés with drinks and extending your menu to 4 or even 5 courses. Please contact us for more information. Please be advised that all of the dishes offered on the sample menu may vary according to seasonal availability of produce.

Aqua works very closely with its wine suppliers and when it comes to choosing wines and tasting, if there is a particular wine that is not on our list then we are more than happy to get that specific wine in from our supplier.
