LONDON'S PREMIER IMMERSIVE MAGIC SHOW

The Magicians Table is an exciting, immersive close-up magic show with a unique format that will have you on the edge of your seat from start to finish.

MAGIC, MUSIC & COCKTAILS

You are invited to the memorial celebration of Dieter Roterburg, the renowned magician, mind-reader and showman known as Dieter the All-Knowing.

Before his untimely demise, Dieter meticulously planned the whole night, from the guest list to the entertainment.

The evening is hosted by Dieter's widow, Caliope, assisted by Dieter's trusty compere, Ellis.

Remember, this is not a time for grief, but a celebration of the late great Dieter and his love for world-class magic.

Expect an eccentric, thrilling evening packed with world-class close-up magic, delicious cocktails and live music.

DIETER'S THEATRE

Our main performance space is located on the first floor. The show unfolds around the room, with guests seated across ten semi-circular tables, each accommodating 10 to 11 people. Designed to feel intimate and immersive, the space ensures clear views of the performance from every seat. The central stage area can also be used for speeches or awards, making it a flexible option for private events or company gatherings.

Upstairs theatre capacity: 110 seated

AN INCREDIBLE & UNIQUE VENUE

DIETER'S BAR

On the ground floor, Dieter's Bar welcomes up to 100 standing guests and sets the tone for the evening. There's a mix of seating, couches, poser tables, and a large communal table and it's where the pre-show magic begins. As guests arrive, they're greeted by our resident bartender who specialises in the alchemy of cocktails, conjuring potent drinks while roaming magicians work the room with close-up tricks.

Downstairs bar capacity: 100 standing
