OUR STORY

Welcome to Mall Galleries a visual arts charity, managed by the Federation of British Artists.

By hiring Mall Galleries, you are supporting the charitable objectives of the Federation of British Artists to empower artists through a not-for-profit programme of exhibitions and events, prizes and awards with a focus on figurative art.

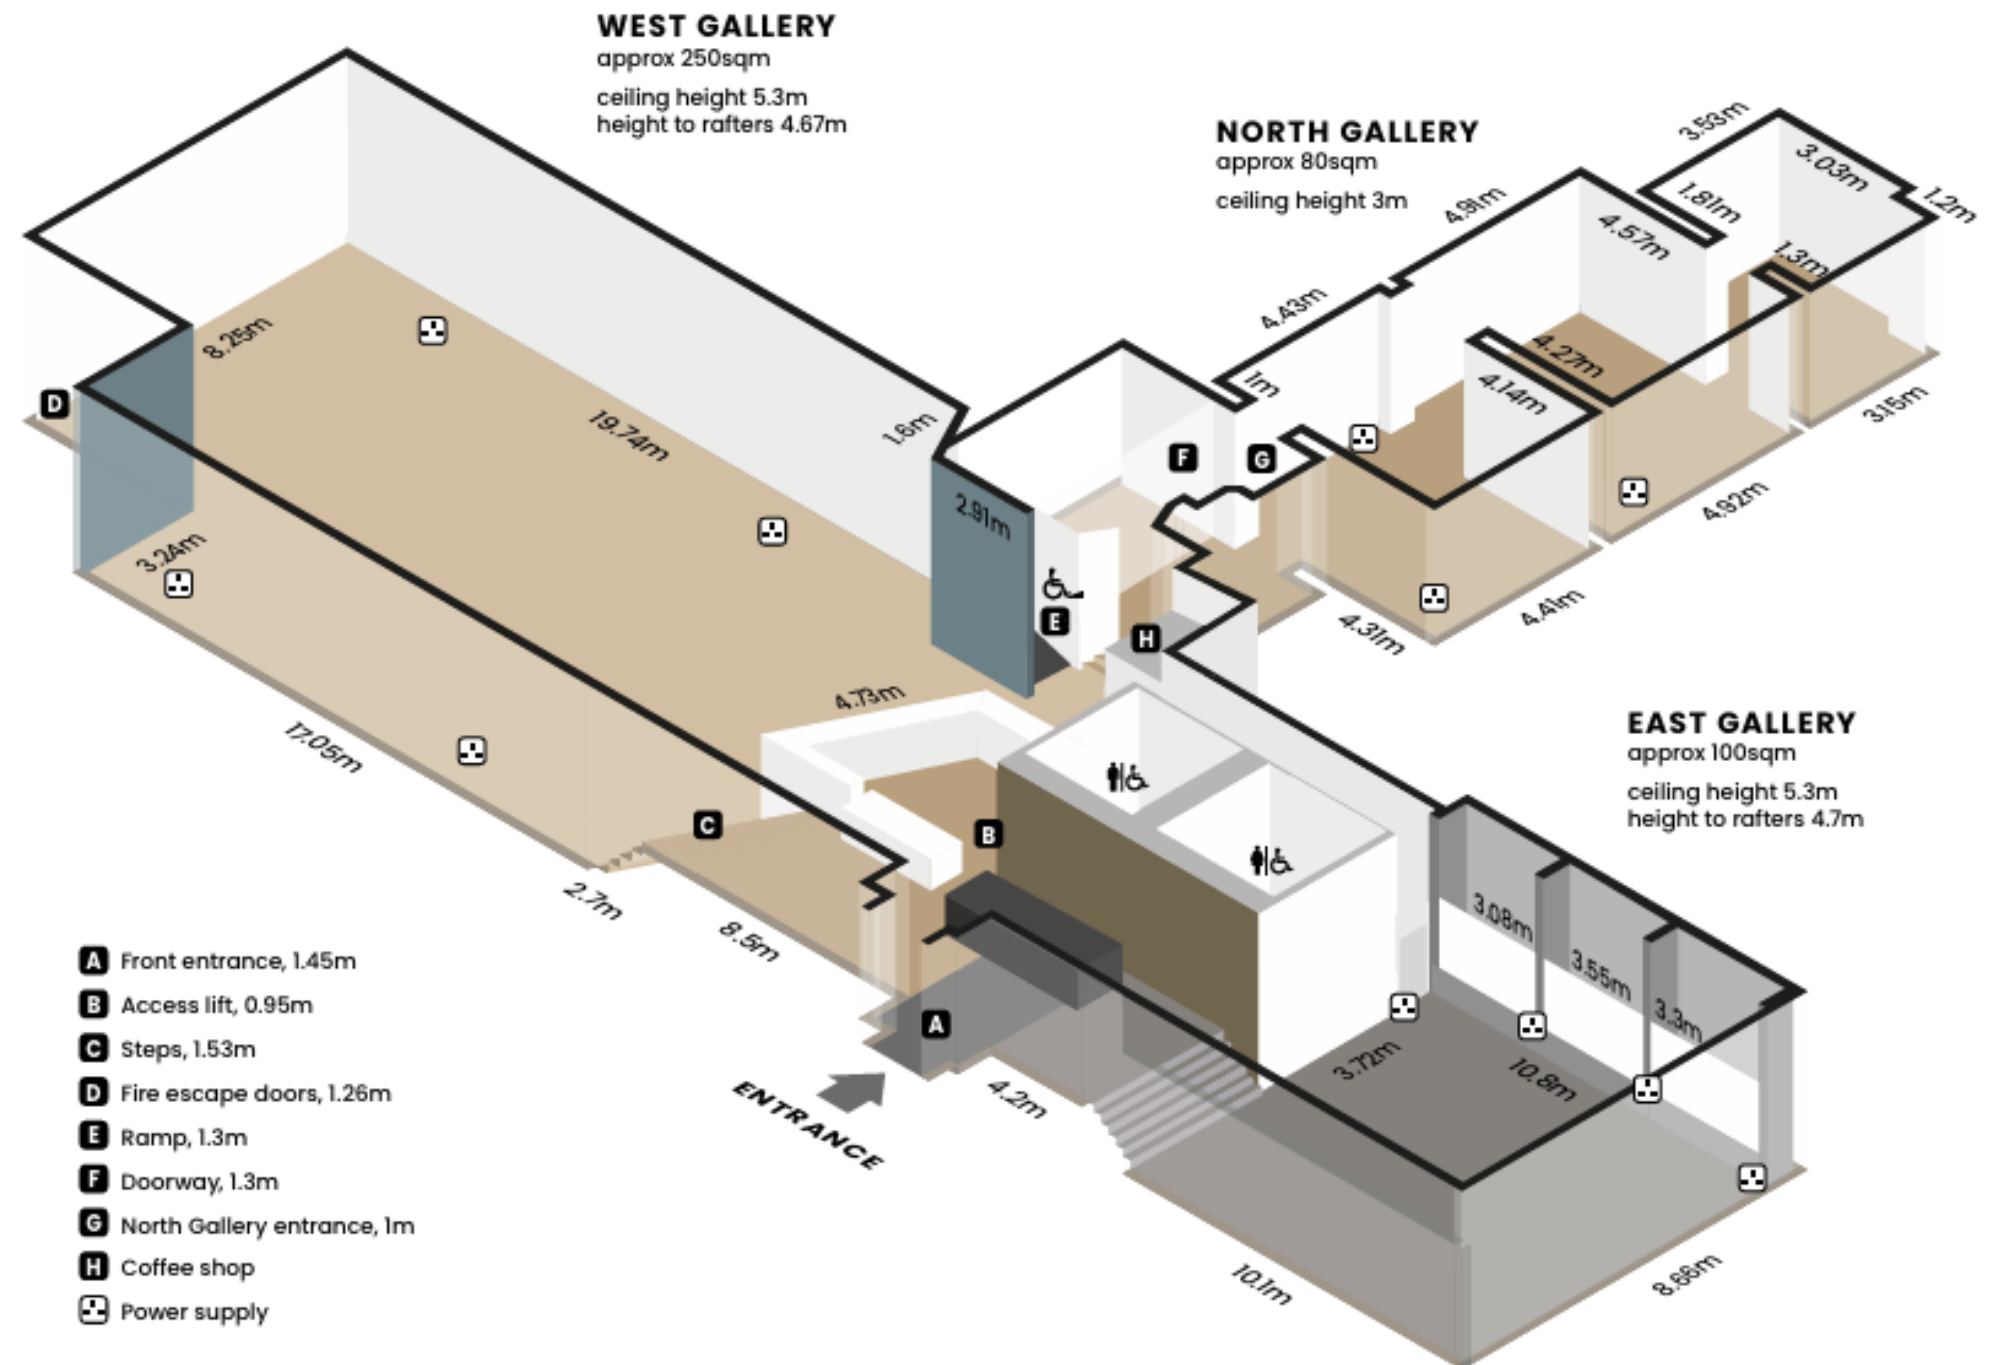

Mall Galleries was officially opened on 25th February 1971 by Her Majesty Queen Elizabeth II. The Federation is a collective of nine leading art societies, each with a unique character or specialism within the field of figurative art. Combined, they represent over 1,000 years of artistic history and heritage.

Located in the cultural heart of London's thriving arts and heritage district on The Mall, between Buckingham Palace and Trafalgar Square, Mall Galleries offers over 450sqm of dedicated exhibition space and events space, spread across three connecting galleries.

Each gallery varies in aesthetic appeal and are well-lit, spacious and equipped to the highest specification. Our spaces are expertly matched with knowledgeable staff and specialist services that have supported a range of National and International exhibitors and artists for over 50 years. As a registered charity with no government funding, we rely on your support to continue to thrive and support artists.
