A unique and flexible space able to cater for a wide range of configurations and events. Including, but not limited to; Private Parties, Networking Events, Wedding Receptions, Book Talks, Award Ceremonies, Presentations, Christmas Parties, Screenings, Live Music Performances, Theatre, Workshops & Rehearsals, Filming and Photography.

The Space

A bright, vibrant setting for drinks parties, screenings, networking events and performances.

A beautiful marble staircase and art deco interior combine with original signed theatrical posters spanning decades to create a one-of-a-kind experience. The bars are topped with a single piece of copper that spans the full length of the room.

The iconic space has been featured on film and TV including Britain's Got Talent, The Apprentice and the final season of The Crown as an iconic 1940s jazz bar.

Bespoke, moveable staging and a centre-room aerial point allow for immersive performances and dedicated themed events.

State-of-the-art LED lighting and Video wall Stage backdrop are provided as standard. Our audio systems rival the quality of some top West End theatres so we can handle any technical requirements with ease.
