Group Dining & Private Events

AN ELEVATED EXPERIENCE

—  —

Vatavaran is a multi-level Indian dining destination in Knightsbridge, inspired by the journey of ascent. Each floor reveals a new perspective, combining refined interiors with a sense of discovery and atmosphere.

Led by Michelin-starred Chef Rohit Ghai, Vatavaran presents modern Indian cuisine shaped by regional flavours and open-fire cooking techniques. The result is an immersive setting designed for memorable occasions, from intimate gatherings to full venue takeovers.

FOOD & DRINK

A selection of menus are available for group dining and private events at Vatavaran. Guests can choose from curated sharing menus or create a bespoke offering with our team.

At the heart of the kitchen is sigri cooking, bringing depth and character to modern Indian dishes inspired by regional traditions.

Shikhar is an intimate private room with its own bar, it's ideal for receptions, celebrations, or post-dinner gatherings. Guests can enjoy a refined cocktail experience, showcasing Indian botanicals and bold flavour combinations, alongside a considered wine and drinks list.

PRIVATE DINING AT VATAVARAN

Vatavaran offers a range of private and semi-private spaces, each designed to host a memorable and atmospheric dining experience.

Our team will work with you to curate menus and experiences tailored to your event, ensuring every detail is considered.

SEMI & EXCLUSIVE HIRE

—  —
Vatavaran is available for semi-exclusive and full venue hire across multiple levels.

For larger occasions, guests can move seamlessly through the space, from cocktails at Shikhar to dining experiences across Ridge, Brook and Meadow.

Full venue hire offers complete flexibility, accommodating both seated dinners and standing receptions, creating a dynamic and immersive event experience.

The image shows the interior of a restaurant named Brook. On the left, a curved bar with a white marble top is illuminated from below with warm orange light. Behind the bar, shelves are filled with various bottles and a large number of glasses hanging from a rack. A black speaker is mounted on the wall above the bar. In the foreground and middle ground, there are round tables with white marble tops, each set with plates, glasses, and a small lit candle. The chairs are upholstered in a light pink or peach fabric. The walls are painted a light blue-grey color and feature several framed artworks, including abstract pieces with bold colors like orange, green, and blue. The overall atmosphere is sophisticated and modern.
