

Your Ultimate Event Partner

At Firebird Events our aim is simple, to offer the most truly memorable events.

Supplying high quality and bespoke event services for over 25 years, we are very proud to be a recommended event partner at your chosen venue.

Our core services include team building, party and wedding entertainment, conference and awards production.

Producing stand-out events requires specialist expertise and above all, a personable and passionate team who can visualise your dreams and transform them into reality.

Whether it's a solo performer or a fully immersive production, we will be at your side every step of the way to advise and inspire you.

Event Production

Conferences, awards, exhibitions & launches, experiential events, content creation & filming

At Firebird, we see ourselves not just as a production supplier but as an event partner to our clients.

More than technology and equipment, event production requires the 'human touch'; Creativity, vision and experience. Our passion, attention to detail, and commitment to delivering exceptional solutions ensure flawless execution and a lasting impression.

Whilst stunning production makes a strong impact, the support team producing your event are critical to ensure it's success. All our senior production staff are full time, and are extremely professional, friendly and experienced, inspiring your confidence, allowing you to enjoy every moment of your event.
