## MEETINGS AND EVENTS

We've been welcoming high-flyers in Croydon since the day we opened our doors in 1928.

These days, Croydon is a major commercial centre and stands on the A23 main London to Gatwick route. Not only are we perfectly located for conferences, presentations, team-building, training sessions and board meetings, we're well equipped for them too.

Our five event suites have everything you will need for a successful

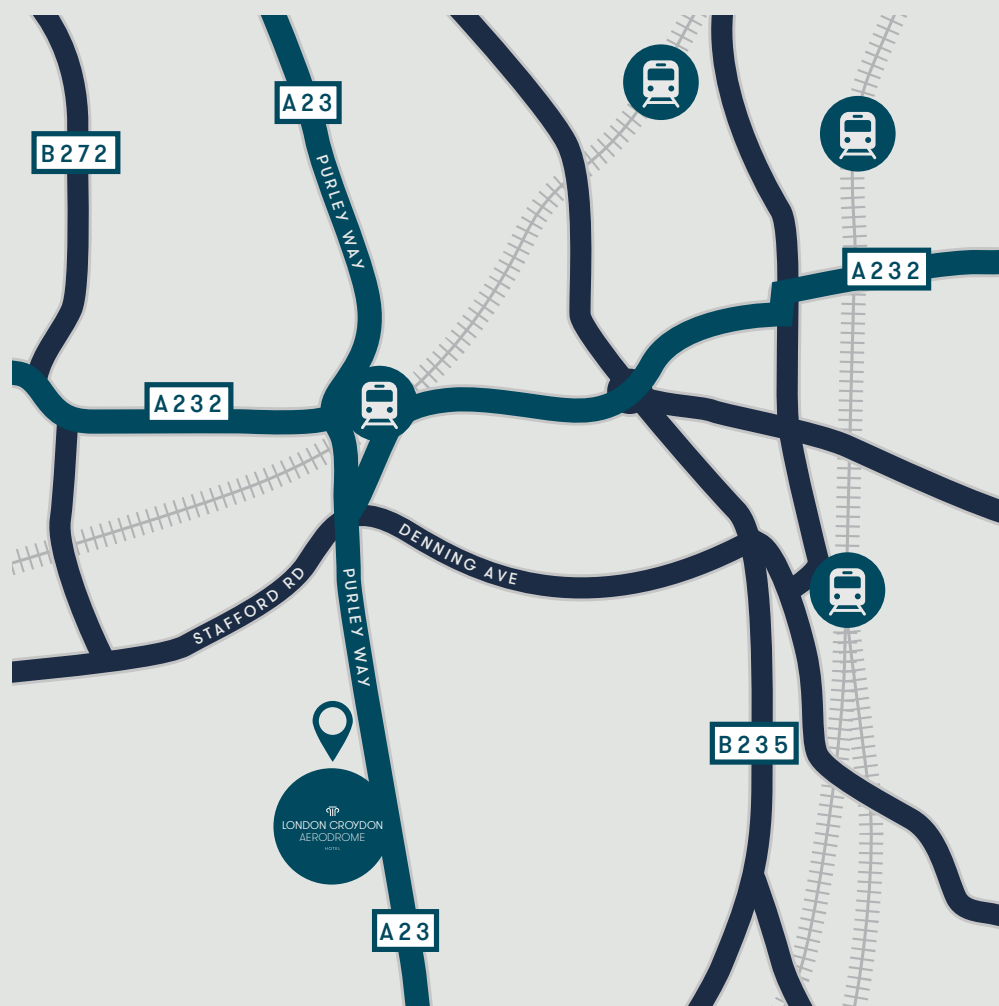

meeting. The rooms are light and flexible enough to accommodate different set-ups depending on the nature of your event and accommodate up to 170 delegates.

Of course, as a major hotel and conference venue we have the entire infrastructure needed to plan, manage and support your event. Our team is made up of professional event co-ordinators with the experience to help you deliver against your business objectives.
