A large crowd of people is gathered in a beer hall, many holding up their phones to capture photos or videos. Bright stage lights are shining from the front, creating a vibrant atmosphere. The venue has a high ceiling with exposed beams and hanging lights. A large banner with the word 'EACH' is visible on the right wall.

ABOUT US

Big Penny Social creates experiences across beer, food & drink and live events that bring people together and help community spirit come alive. We provide elevated experiences to the community we call home.

Our name is drawn from a local Copper Mill, which rolled the copper sheets to be turned into Walthamstow Penny coins back in the early 1800s.

With a total capacity of 1400, our enormous venue boasts the UK's largest Beer Hall, a hugely versatile event space, and one of the largest beer gardens in London. Big Penny Social is located just a few minutes walk from Blackhorse Road Station (Victoria Line + Overground).

A warm welcome awaits everyone (and their dog!) to enjoy great beer, great food and great times spent together.

WHY BIG PENNY SOCIAL?

WHO WE'VE WORKED WITH

we are family.

Sofar

**THE BIG
BLOW OUT**

we are family.

"We worked with Big Penny to host a party for a major global brand, and the experience was fantastic. The venue provided us with front and back of house spaces, drinks, catering and much more. No ask was too much, and the team was always friendly, helpful and thorough. The event was a huge success."
