

# The hub at Club Central

The Hub at Club Central is the beating heart of our venue. On the ground floor, self contained hosting up to 385 guests standing; The Hub is a versatile events space perfect for private parties, corporate gatherings, networking experiences and Christmas Celebrations.

With state of the art surround sound, projector facilities and a fully staffed bar with high end food offerings such as canopae's right the way up to a 7 course meal..... this is the perfect 'Hub' to place your event centre stage as the venue wraps around your requirements!

On one end of the spectrum, naturally warm tones and contemporary design create an inviting and relaxed atmosphere for your guests to feel at home but with the flick of a switch, moving all furniture to the store room in a difference area of our venue, the space becomes a blank canvas and with the moving lights, dj and bar, can be a great club zone, birthday party space or any other type of party space you can think of! Competitive pricing, central London location just a short walk from Holborn station and a friendly team to help guide you through your experience, book 'The Hub' to make your event a standout success!
