HOW IT WORKS

We have a £1,000/£2,000 minimum spend for private hires (dependant if you have the full day booked or just the evening). If you choose one of our drinks packages, whatever you spend on that is deducted from the minimum spend, with the rest simply made up on the bar during your event.

(EXAMPLE)

MINIMUM SPEND: £1,000

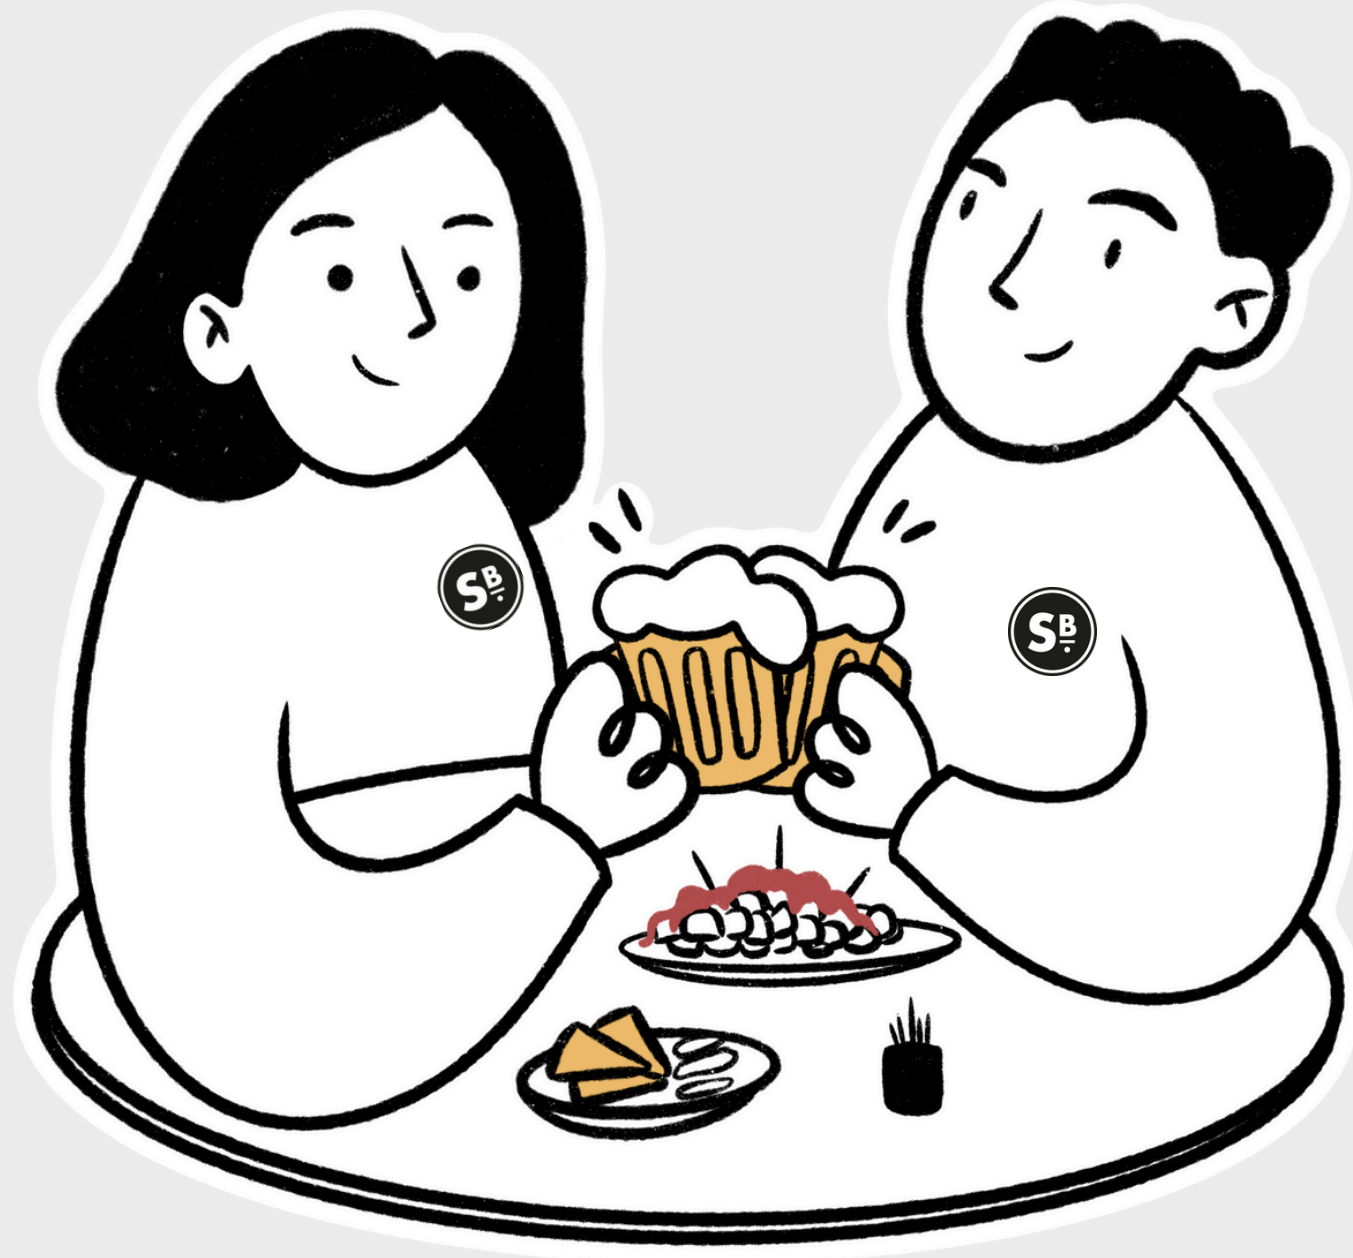

DRINKS PACKAGES PURCHASED IN ADVANCE:

£400

REMAINING SPEND REQUIRED ON THE DAY:

£600

YOU STILL MEET THE MINIMUM SPEND, BUT
PART OF IT IS COMMITTED UPFRONT.
