# DELIVERING EVENTS

## Conferences

The London Suite is the most flexible large conference and event space in west London. The main event hall can be partitioned to form a range of different room sizes, and the in-built creative lighting produces a dazzling night ambiance. All divisions have a building management system equipped with sensors to allow pre-programmed air conditioning, sound levels, lighting to create a perfect ambiance.

The venue is also fitted with 1GB fibre optic line dedicated to the events space which allows capturing a high number of cyber security events and IT sector. For corporate hospitality events, we can accommodate parties of 20 to 800 for sit down events. The venue also hosts a dedicated banqueting kitchen to answer the requirement of any hospitality event. Additionally, the kitchen can be hired-out for self-catering events.

Being an open space, anything can be built-up from mobile bar, dance floor, any entertainment features while our pre-function room can host any welcome drink for up to 250 guests.

Whether you are looking for an exhibition space, a meeting, an award ceremony, a corporate summer, Christmas party or a conference venue in London, our award-winning team will be certain to deliver the event you need and want.

## Exhibitions

Whatever your exhibition requirements are, our London Suite can accommodate them. Our spacious flexible exhibition hall offers lofty ceilings and an uninterrupted area to display your exhibits. Set-up and other logistical matters are simple, with 24-hour access to our generous ground-floor loading bay, which has previously welcomed double-decker buses, cars, and even a tank (without a cannon)! The London Suite can also stage a TV event or become a sporting venue.

## Galas & Weddings

For galas and weddings, London Suite offers a capacious pillar-free ballroom and is ideal for hosting award ceremonies, gala dinners or wedding receptions. Spacious enough the ballroom caters for up to 800 guests while the high ceiling will permit the most ambitious set-up.

## Business meetings venue

On our second floor, the smaller syndicate meeting rooms can accommodate from 2 people to 50 and are ideal for board meeting, training, hospitality lounges or break-out rooms.

## Social Events & Celebrations

From a private birthday to a larger banquet, the London Suite has a range of spaces to suit your social event. Whether it is a birthday dinner or a contemporary anniversary, we can offer private rooms or a semi-private area in Barnaby's Lounge & Bar.

## Product Launches

At Mercure Earl's Court we have a very useful loading bay which easily facilitates vehicles and large props access to the venue for large scale product launch type events.

---

## ACCESS ALL AREAS

Purpose built, efficient logistics.

Many clients love how easy loading and unloading is made with our ground floor loading bay and direct easy access into the London Suite foyer. We have had a red double decker bus, a black cab, a tank and fancy cars drive into our venue through the ground floor loading bay. Being a pillar free venue with 5-metre-high ceilings, the venue has been used as a blank canvas for showcase dinners with a jungle theme (rolling out their own carpet!), a dinner with a beach theme (with their own beach bar and palm trees), for international concerts and for a boxing event.

When it comes to combined conferences and exhibitions the adaptability of London Suite encourages clients to book way in advance. Regardless of which side sells better or if breakouts are needed, the space can be redesigned and constantly adapted to the ever-changing clients' briefs as the event dates approaches.
