# WHAT PEOPLE ARE SAYING

“The team at Platform are a really passionate and professional bunch - I'd highly recommend working with them. Our press, influencers and community had an absolute blast at the Tom Clancy's Ghost Recon: Breakpoint announcement event!”

ADAM MERRET  
SENIOR COMMUNICATIONS MANAGER  
UBISOFT UK

“Stellar hidden gem of London, perfect combo of food/drink and gaming. Solid variety of consoles makes sure there's something for everyone, personally love their lineup of classic consoles and old school titles. The Rainbow Road is a banger of a cocktail and I've only heard good things about their other options. Great meeting point or destination for a fun evening.”

SAM PARKER

“A great place to go out with friends and play some Mario Kart or FIFA whilst enjoying a great beer and pizza.”

# WHAT PEOPLE ARE SAYING

“The Platform team were just incredible and made the night substantially better with their exceptional service. The team couldn't have done any more to help navigate a lot of excited clients and football fans.

Platform has a new fan in Twitch and will be our first port of call for any future events. We would love to work with Platform again and the success of last night is a good reason to make it happen!

LOU EMMERSON

“This is a great place for anyone who enjoys gaming. came as a couple and we had so much fun! The pizza and the cocktails were great as well, the names were very clever. The staff are very friendly too. Definitely recommend such a great price for 90mins on your own with the switch and PlayStation and plenty of games to play
