Malmaison

BLUR THE LINES

Business or pleasure, you ask? Well, work and play needn't be mutually exclusive. Work somewhere with a sense of playfulness and fun and the ideas will flow. Play in a place where events are a serious business and the good times will be free to roll.

Work+Play at Malmaison is a collection of inspiring, innovative spaces for meetings and events, whether it's a one-to-one, team meeting or something worth celebrating.

Two things we don't play at are service and attention to detail. From the sharpest pencil and the smartest tables, to the most energising refreshments and creative catering, Work+Play at Malmaison is serious about making every minute you spend here memorable.

WORK HARD

Well, maybe not, actually. Everything about our Work+Play concept and spaces is designed to make your working day easier.

From the inspiring, stylish room designs and comfortable furniture, that will make you feel like you're a million miles away from your office, to the super-slick technology and click share presentations, all powered by ultra-fast WiFi.

PLAY HARD

Presentation nailed, agenda complete, it's time to play. Luckily, you've set up base in the city's most vibrant and atmospheric boutique hotel, and Malchemy Cocktails and our seductive menus await you in Malmaison Bar & Grill. Or, we can bring all the good stuff to you, in your own private dining space where you can pop corks, let off steam and let us do all the hard work.

A TASTE OF IMAGINATION

Feed your potential with our flexible dining options full of nutritionally balanced and delicious dishes to cater to every taste and occasion.

Whether ordering à la carte, buffet-style or opting for little nibbles only, food and drink are the heroes at Mal and our Food For Thought and private dining menus will take your event to the next level.

OUR SPACES

We'll move mountains for you
(by mountains we mean walls).
Our flexible spaces mean we can
merge rooms to make bigger spaces.
