About Us

Winchester Science Centre is the south of England's leading science and discovery centre. It is part of the independent educational charity, Wonderseekers, who are on a mission to inspire and engage all children in science.

Host an out-of-this-world event in the **UK's largest standalone planetarium** and explore two exhibition floors filled with hands-on interactives that aren't just fun for kids!

We're just three miles from central Winchester, less than two hours from central London and near the M3. We've also got plenty of free event parking and located just a stone's throw away from a neighbouring hotel.

Our Charity

Every event hire supports Wonderseekers.

When you book your event with us, you're also supporting Wonderseekers, the Charity behind Winchester Science Centre – helping bring science to life for all children. At the heart of our mission, we empower children to:

- Connect with nature
- Overcome social and economic barriers, ensuring every child can explore and enjoy science
- Apply science in their own communities and create positive change
