

Venue hire

About us

Winchester Science Centre is the south of England's leading science and discovery centre. It is part of the independent educational charity, Wonderseekers, who are on a mission to inspire and engage all children in science.

Host an out-of-this-world event in the UK's largest standalone planetarium and explore two exhibition floors filled with hands-on interactives that aren't just fun for kids!

We're just three miles from central Winchester, less than two hours from central London and near the M3. We've also got plenty of free event parking.

Our venue team can host:

- team building away days
- awards ceremonies
- film screenings
- presentations
- filming opportunities
- celebration events
- and much more!
