Bolthole for Business Events & Company Retreats

Park House Hotel

We are conveniently close to London, yet far enough removed from corporate pressures to offer a refreshing change of perspective.

Our event spaces are housed within our signature Sussex Barn, purpose-designed to host a variety of events. Easily accessible from the main House, the Barn benefits from parking on one side and picturesque gardens and grounds on the other.

With exposed beams and wooden flooring, the Barn exudes a rustic charm that creates a relaxed and welcoming atmosphere that is well suited to today's more informal office culture. The surrounding grounds are just steps away, providing the perfect setting for outdoor breaks and blue sky thinking.

The main space within the Barn can accommodate up to 75 delegates. A separate Boardroom on the first floor, seating 12, can be used independently or in conjunction with the main area.

We welcome both day guests and overnight guests, offering tailored packages to suit those visiting during office hours as well as those who are on business overnight.

The Boardroom

Flooded with natural light and offering sweeping views of the grounds and gardens, the Boardroom provides an inspiring setting equipped with technology to support productive business outcomes.

With capacity for up to 12 guests, this versatile space is located close to the Barn, making it ideal as a breakout room or as your off-site command centre for the day.

The Sussex Barn

**Our purpose-built Sussex Barn offers a versatile,
blank canvas for a wide range of events.**

From business presentations and product launches to festive celebrations. Surrounded by mature gardens on one side and with direct access to parking on the other, it combines practicality with charm.

The Barn connects seamlessly to the main House and kitchens, ensuring efficient service and the flexibility to accommodate last-minute changes.

It comfortably hosts up to 75 guests.

The Menus

Our menus are inspired by the seasons and locally sourced produce, with cooking styles ranging from classic British favourites to bold, globally inspired dishes.

All events are personally managed by our on-site events team, who are on hand throughout to ensure every detail of your experience is expertly delivered.

When the weather is favourable, dine alfresco either on one of the sunny terraces or beside the pool.
