TESTIMONIALS

SIMON F.

A big thank you for hosting the team on Friday afternoon. It was exactly what we were after - a mix of smart, professional meeting facilities for the work side, excellent food, fun padel and far too many drinks in the evening! The team all commented on how much they liked the club (and the event) - nearly all are London based, so were quite gutted they did not have the same set up available near them! They also mentioned how attentive the staff were - nothing was too much trouble. I will certainly be booking a team event again - everyone was very keen to make it (at least) an annual event.

What a roaring success Friday was, thank you both so much for helping organise the day and hosting us at stunning Barnsgrove. My team absolutely loved the club, lunch got rave reviews and Paddle/ Giovanni were big highlights. All your team were excellent and could not have been more helpful. 10/10, everything was clockwork. I hope to be in touch shortly with a view to potentially taking up a private office.
