## The Racketeer

A relaxed, local, family run cocktail bar and cozy pub situated in King's Cross London.  
Established for almost 10 years, we are proud to be one of the most highly reviewed bars in the area.  
We are open 6 days a week.

Tuesday - Thursday 4pm - 11pm

Friday & Saturday 4pm - 1am

Sunday 3pm - 10pm

We will happily explore full venue private hires and have been used over the years for weddings, birthdays, film shoots and corporate events.

## Our Main Bar

We encourage large bookings to consider pre-ordering drinks and our sharing boards. We are happy to run tabs too.

## Garden Room and Patio

This lovely space can hold up to 40 guests standing. It's a private area with comfy seating and a wood burning stove for Winter nights. It's located behind the main bar and backs out onto a West facing patio with additional tables and seating, perfect for a Summer celebration.

## The Basement Bar

An atmospheric space available for bookings of up to 40 people. Here you have a dedicated cocktail bar and team for your celebration.

A separate PA can be used for your own background music choice.

## Food & Drinks

We can cater for food preferences/allergies with advance notice.

Our young team of bartenders are able to design fresh menus for your event. We have a large list of fresh house cocktails. Complemented by an inventive wine list and our house craft beers served in frozen glasses.

## Service

Table and small party bookings are not always subject to minimum spends so with that in mind we encourage you to peruse our menu and preorder drinks and/or food. This helps immensely with speed of service for your party and is a great way to get things started so that your guests feel looked after. A discretionary 10% service charge will be added to all table bookings - we split this equally among the whole of the team.

Please feel free to call us on 0208 143 3591  
And by all means arrange a time to pass by and see our wonderful space.
