KIND WORDS

They handled all the logistics, making my job so much easier and allowing me to enjoy the event as much as everyone else. Any request we had, no matter how small or complex, was met with a smile and made possible.”

- Yasmine Kirkham, Missouri Creative

KIND WORDS

“I cannot speak highly enough of this extraordinary venue and the wonderful team who work there. For our annual corporate retreat we need somewhere that we can have exclusive hire of with plenty to do and a memorable experience for our team: boy does NCC deliver!

The facilities and rooms are plentiful and first class. The property and grounds are big enough for a large group to really spread out and yet somehow also intimate enough for everyone to feel together. The team could not have been more helpful in ensuring we had everything we needed but also left us alone so that it really felt like our very own place. We loved it so much that we immediately booked again for next year.”

- Matt Crabtree, CEO, Positive Momentum
