A nighttime photograph of a canal scene. In the foreground, a narrowboat with a blue and white patterned hull is docked. The water reflects the lights from the buildings and street lamps. In the background, a large steel truss bridge spans the canal. To the right, a tall, modern skyscraper is illuminated with blue and white lights, standing out against the dark night sky. A brick building with a chimney is visible near the base of the skyscraper. The overall atmosphere is urban and vibrant.

Responsible Meetings

The Hotel Effect & Travel with Purpose

We recognise our critical responsibility to protect our planet and preserve this beautiful city in which we operate for generations to come. Our hotel is committed to cutting our environmental footprint in half and doubling our investment in social impact by 2030.

Our hotel is the proud recipient of:

ISO 9001 – Quality Management certification

ISO 14001 – Environmental Management certification

ISO 50001 – Energy Management certification

We set annual goals to reduce our footprint and reduce our energy use by 3.5%.

Prior to your meeting with us, we can help estimate your event's environmental impact for you.

Speak to the hotel about local suppliers you could use to help support your sustainability goals.

Since the hotel opened, it's raised over £1 million for various charities across the local area.

Expert team of event professionals

We know how stressful organising a meeting, conference or event can be.

Our expert team of Event Professionals will be on hand from start to finish to ensure we do all the hard work and create the perfect bespoke meeting and conference configurations for you and your delegates.
