SEATED DINING *MENU*

All seated dining experiences include elegant plain-coloured table linen of your choice, complemented by white china, refined glassware and contemporary polished cutlery, creating a timeless and sophisticated table setting.

Each meal is served with baskets of freshly baked artisan bread rolls accompanied by salted English butter. For a more indulgent dining experience, you may upgrade to our artisan bread selection featuring focaccia, sourdough and ciabatta, served with first-pressed extra virgin olive oil and aged sherry balsamic vinegar.

To create your menu, simply select one starter, one main course and one dessert. Should you or your guests have any dietary requirements, our chefs will be delighted to adapt dishes wherever possible. A dedicated vegetarian menu is also available, and guests are welcome to enjoy a vegetarian option regardless of the main menu selected.
