

BLACK ROCK

CORPORATE EVENTS + PRIVATE HIRE

WHISKY REIMAGINED

A different setting for client entertaining, team events, meetings, celebrations and whisky-led experiences.

BLACK ROCK

A SMALL BAR. A BIG WHISKY EXPERIENCE.

Now in its tenth year, Black Rock is the small east London basement space that "changed the game" for whisky bars. Built around an 18ft oak trunk table and one of the largest whisky collections in the UK, it continues to challenge convention and remove barriers to the world of whisky.

Four-time winner of UK's Best Specialist Bar by CLASS Magazine.
