Cook, Learn, Connect

At our Cookery School in the heart of Knightsbridge, we specialise in creating hands-on food experiences that bring people together.

Whether you're planning a private celebration, a team activity, or an event to impress clients, our bespoke cookery sessions offer something deliciously different. Hosted by expert chefs in our fully equipped kitchen, every class is designed to be fun, engaging and memorable — with plenty of time to enjoy what you've made together.

We offer flexible packages to suit a range of group sizes, budgets and styles. From casual food-making sessions and demonstrations to more refined dining experiences, we'll help you find the perfect format.

Hire the Space

A dry hire is the perfect way to use our fully fitted, equipped cookery school kitchen and prep kitchen to host your own event. Maybe you're a chef putting on your own class, need a space for food development, are putting on a PR event, even for filming and photography, our space is yours to use.

Please note when hiring the space, we kindly ask that you leave it as you found it. Bear this in mind when deciding if you will benefit from additional support, either a KP or an assistant or both. Please enquire to find out the cost of adding either/both.
