

ONLY AT GOODWOOD

ONLY AT GOODWOOD

Goodwood is England's greatest sporting estate. Seat of the Dukes of Richmond for over three centuries, the family has always welcomed their friends and guests to share in their love of sport and enjoy the hospitality that comes with it.

Goodwood hosts three of the largest events in the social and sporting calendar: the Festival of Speed presented by Mastercard, the Qatar Goodwood Festival and Goodwood Revival. There is simply no finer place in the country to enjoy motorsport and horseracing. In addition to the thrills of the track, guests can also experience two championship golf courses, the very best shooting, cricket matches on one of England's oldest grounds and the chance to arrive by air into Goodwood's Aerodrome.

With one of the largest lowland organic farms in the country providing organic produce for all the restaurants and at the major events, Home Farm is at the centre of Goodwood's sustainable food philosophy. This incredible food heritage is celebrated across the estate and the inspiration behind every menu.

Ever since the time of the first Duke of Richmond, guests have enthused about the hospitality shown to them at Goodwood and this tradition continues today. With a choice of places to stay and eat, we hope you have an extraordinary time here.

AN EXTRAORDINARY ESTATE

Bringing a contemporary and innovative twist to centuries of tradition, an event at Goodwood is one your guests will always remember. Whether you are looking for a relaxed private affair, hospitality during our events, or something on a larger scale, our diverse choice of locations are bound to inspire you. From spacious rooms at the Goodwood Hotel, to private boxes overlooking the racecourse, pavilions right next to the motor circuit, or the magnificent State Apartments in Goodwood House itself, the possibilities are endless. We have built a reputation for delivering thrilling experiences in an unconventional way and look forward to helping you create an extraordinary event.

FLAGSHIP EVENTS

FESTIVAL OF SPEED

In 1993, the inauguration of the Festival of Speed marked the return of motorsport to Goodwood. Since then, this spectacular gathering has evolved to become the unique motorsport garden party that it is today. Held in the beautiful parkland surrounding Goodwood House across four high-octane days, the Festival of Speed brings together the world's greatest cars, bikes and motorsport legends past and present.

From F1 to NASCAR, Indy car to World Rally, nothing takes in the whole of motorsport history the way that the Festival does. The event allows you to get close to an incredible array of cars in the paddocks and witness sensational racing, as well as explore the future of speed and technology with the awe-inspiring FOS Future Lab. In addition, you can experience some hair-raising, two-wheeled drama at the Goodwood Action Sports Arena, and get closer than ever before to the legends of drift.

From lunch on the library lawn in the Duke and Duchess's private garden, to trackside viewing at the most dramatic parts of the hill, we have plenty of choices for you to experience the ultimate day of motorsport.

"You see more motorsport in four days than you could see if you travelled the whole world with a grand prix team and watched all the grands prix. It's more fun, it's faster, it's better."

CHRIS EVANS

QATAR GOODWOOD FESTIVAL

With its spectacular setting on top of the South Downs, Goodwood is considered by many to be the world's most beautiful racecourse. Horseracing has taken place here since 1801, when the third Duke of Richmond held a private race meeting for the Sussex Militia. It was such a success that the following year he held Goodwood's first public race meeting.

Our flagship event, the Qatar Goodwood Festival, is one of the most prestigious meetings in the racing calendar. Affectionately known as Glorious Goodwood, this much-loved fixture of the English sporting season has the atmosphere of a summer garden party, with many of the world's greatest racehorses doing battle in front of the packed grandstands.

The five-day festival is part of 19 race days that complete Goodwood's racing season. Other highlights include the three-day May Festival, the dynamic Three Friday Nights in June – when a thrilling evening's racing is followed by dancing to a globally renowned DJ – and the nostalgic August Bank Holiday weekend.

"The views, I have to say, always blow me away. It is so beautiful."

DARCY BUSSELL

GOODWOOD REVIVAL

Goodwood Revival is the only major sporting event in the world to take place entirely in period theme. It is an unabashed celebration of flat-out, wheel-to-wheel racing, celebrating the romance and glamour of motorsport as it used to be.

Over the course of an action-packed weekend each September, the world's rarest and most valuable racing cars and bikes battle it out on the track. Legendary drivers and riders from the golden era of motorsport are cheered on by visitors, all immaculately dressed in 1940s, 50s and 60s clothing and accessories.

The Revival is as much about recreating the fashion and culture of the post-war years as it is about historic racing cars. Hundreds of thousands of fans come from all over the world to soak up the unique atmosphere and experience a return to the halcyon days when Goodwood was the spiritual home of British motorsport.

"Give me Goodwood on a summer's day and you can forget the rest of the world."

GOODWOOD HOUSE

The classic Regency splendour of Goodwood House offers a magnificent location for any social or business gathering. Home to one of the country's finest art collections, including paintings by Stubbs, Canaletto and Van Dyck, the State Apartments offer a rare opportunity to treat this historic family house as your own. From glamorous parties in the Ballroom for over 500 guests, to an intimate supper in the Egyptian dining room, Goodwood House is a spectacular place for entertaining.

Guests will be warmly looked after by our team of butlers, who will ensure they have everything they need, continuing in the high levels of service that have existed here for over three hundred years. Our chefs will create special menus using the finest produce, much of which is sourced from the Estate's own 3,000-acre organic farm.

*"The House, in this perfect setting is like a magical part of England.
It's one of the most special places in England I've ever been."*

JOOLS HOLLAND

THE GOODWOOD HOTEL

The Goodwood Hotel is a former eighteenth-century coaching inn located near the entrance to the park, and the ideal base from which to explore the Estate. The hotel has 91 stunning bedrooms and suites, and guests can make use of the adjoining health club and spa facilities.

Whether you are looking for somewhere to hold training workshops, focus sessions, board meetings, or product launches, the hotel offers a huge range of possibilities. Our chefs take inspiration from Goodwood Home Farm to produce innovative menus, and guests can dine at our sustainable restaurant, Farmer, Butcher, Chef, which showcases the very best estate-reared meat.

"The warm welcome from the staff could not have been better, and the setting at the hotel was simply stunning."

THE KENNELS & HOUND LODGE

Designed by celebrated architect James Wyatt in 1787 to house the third Duke of Richmond's prized fox hounds, The Kennels is one of the finest buildings on the estate. Today, it is our members' clubhouse, and their home from home when at Goodwood. The beautiful interior is a fabulous mix of old and new, with magnificent views across the parkland up to Goodwood House. It's the perfect spot for lunch or an informal meeting.

For those wishing to extend their stay, Hound Lodge offers the chance to host your own private house party, and is somewhere to escape the frantic pace of modern life and experience a world of peace and tranquillity. This 10-bedroom sporting lodge is the ultimate base from which to enjoy everything Goodwood has to offer, while the Hound Lodge staff will make sure you and your guests are perfectly looked after.

"Getting away from it all isn't easy but at Hound Lodge it's almost impossible not to feel a sense of peace."

BERNIE ECCLESTONE

THE GOODWOOD MOTOR CIRCUIT

Home to the Revival, Goodwood Motor Circuit is the only classic race track in the world to remain entirely in its original form. During the heyday of motor-racing in the 1950s and '60s, many of the world's most famous drivers raced here – names like Stirling Moss, Jackie Stewart, Jim Clark and Graham Hill. Originally opened in 1948 by the ninth Duke of Richmond, a passionate and talented racing driver himself, the circuit re-opened 50 years later with the first ever Goodwood Revival.

An event at the motor circuit offers a choice of exceptional locations, from the 1960s-style Jackie Stewart Pavilion, which enjoys views across the paddock and the track, to the Race Control Building, with its own roof terrace and private garden. The Super Shell Building is perfect for parties with a twist, while the Old Control Tower enjoys impressive views of all the action on the track.

"From their flagship race events to their corporate experience days and general test and track days, the team's attention to detail is unrivalled."

ANDREW JORDAN, BRITISH TOURING CAR DRIVER AND YOUNGEST EVER BTCC CHAMPION IN 2013

FROM FARM TO TABLE

Goodwood has been farmed by the family for over three hundred years and is one of the only self-sustaining organic farms in Europe. These organic principles enable our farmer to produce the best-tasting beef, pork and lamb, all of which are reared right here. Our sustainable restaurant, Farmer, Butcher, Chef, is located just yards from Goodwood Home Farm, the final stage of a unique process dedicated to showcasing our meat.

Our butcher is directly involved in designing dishes according to what cuts are available. An original approach that means that nothing is wasted. Marrying the expertise of our farmer, butcher and chef, the frequently changing menu champions seasonal English fare. The interior was created by designer Cindy Leveson, and is a contemporary take on country chic.

"Farmer, Butcher, Chef delivers on its promise. Beautiful meat, butchered and cooked with the reverence it so rightly deserves."

SPORTING PASSIONS

GOLF

With a heritage stretching back to 1914 and two very different courses to select from, golf has always played an important role at Goodwood.

The Downs is widely considered the finest downland course in England, and is one of the country's 'Top 100' courses. It has fast-running fairways, undulating greens and dramatic changes of level, thanks to its location, and is ideal for those who want a challenge. Our quirky Woody buggies, designed by the Duke of Richmond's grandfather in the 1930s, even come complete with wicker baskets for a Champagne picnic.

For a gentler day's golfing, you could choose The Park course, where the tree-lined fairways take you on a magnificent stroll across the parkland in front of Goodwood House.

*"Goodwood is a wonderful environment in which to play golf.
The setting is just inspirational."*

From driving one of our high-performance BMWs in a Performance Track experience, to getting a pure adrenaline rush in a Rage Buggy, there are plenty of opportunities to experience a real feeling of speed. Or go back in time with Revival Racing, a brilliantly-authentic experience, where the craft of driving a classic car can be mastered. Choose from a selection of stunning 1950s and '60s classic saloons and GTs that have been lovingly restored. Alternatively, feel every bump and drop as you adventure across the Goodwood Estate in one of our classic Land Rovers from the 1960s.

"Meaningful and real, far beyond anything you could call a 'track day'."

HAYDEN BAILEY, PARTNER AT BOODLE HATFIELD

FLYING

Goodwood Aerodrome was built during World War II as a satellite airfield to RAF Tangmere and was known as RAF Westhampnett. Hurricanes and Spitfires were stationed here, ready for aerial combat during the Battle of Britain. It was also here that flying ace and hero, Douglas Bader, took off on his final wartime sortie.

Our Aerodrome offers a convenient way to fly in and out of Goodwood. Whether you are chartering our own aircraft or wish to arrive by helicopter, we welcome visiting pilots all year round. We also offer a choice of exhilarating team-based activities from the Heli Hover Challenge, a tactical helicopter experience with a competitive edge, to Grapefruit Bombing, which is the perfect activity to improve team work and communications. Enjoy spectacular views of the south coast and Sussex Downs.

"I learnt to fly at Goodwood and often fly in and out of the Aerodrome. The views of the coastline and the South Downs are just incredible – there just isn't anywhere in the country that comes close."

JAMES MARTIN

SHOOTING

A day's clay or simulated game shooting is a wonderful way for anyone to experience some healthy sporting competition, as well as plenty of fresh air, at a range of inspirational locations across the Goodwood Estate, right in the heart of the South Downs.

Our team of attentive staff are passionate about the sport themselves and understand all the details necessary to make an enjoyable and safe day's shooting. The recent introduction of simulated game days offers an exciting alternative to the traditional shooting experience, giving a choice when it comes to selecting the right activity for your group. Alternatively, just a stone's throw below the Trundle, our clay pigeon shooting ground is situated in a stunning bowl-like arena, which is suitable for both novices and crack-shots alike.

"We had nothing but positive feedback from the shoot, everyone who went along had a great time – it was definitely a success!"
