Acres of countryside

our country estate

Down Hall's impressive historic mansion, intimate luxury spa and contemporary wing ideal for hosting meetings and events are set within 110 acres of outstandingly beautiful park and woodland, even though the estate is just 45 minutes from central London.

Meetings & events

The 15 meeting spaces at Down Hall offer something for every occasion. Choose between the ornate historic function rooms within the Main House, or the West Wing's newly refurbished contemporary spaces - all with an abundance of natural daylight and flexibility of set-up.

Team building

Across the estate, Down Hall has some of the most adaptable team building space in the UK, featuring forest trails, tennis courts, a football pitch, archery, giant games – and acres of green landscape offering natural inspiration.

Newly refurbished event space

Recently re-launched following a thorough rejuvenation, the West Wing at Down Hall is now accessed via its own private entrance.

The space is suitable for up to 200 delegates, and offers the choice of eight function rooms, a private lounge and bar, and a landscaped garden, all within an exclusive self-contained area of the hotel.

The newly designed space is decorated in contemporary style with a few nods to our amazing history, and includes all the modern technology that you would expect: air-conditioning, super-fast Wi-Fi, interactive smart screens and built-in AV equipment.
