The Beaumont Mayfair

Overlooking a tranquil garden square in Mayfair, The Beaumont combines the comfort of a private club with the allure of the grand hotels of the Jazz Age.

The Beaumont offers three beautifully appointed rooms for social celebrations.

With Art Deco-inspired interiors by the world-renowned interior designer Thierry Despont, each has a different style and offers a range of alternative configurations. If you have something to celebrate, The Beaumont's private rooms offer the perfect backdrop.

Whether there are 10 or 60 guests, a dedicated organiser will be on hand to coordinate every aspect of your event, with menus created by the chefs of our renowned restaurant, The Colony Grill.

SOCIAL EVENTS

Social Celebrations

The intimacy and elegance of The Beaumont's private rooms, used singly or in combination, lends itself equally to family celebrations, significant birthday parties, baby showers, cocktail parties or simply a family get-together.

Alluringly Adaptable

Our private rooms can be configured in various different ways, while the Sargent Room and the Munnings Room are connected by a private lobby, enabling them to be combined for larger events.

Fit For Purpose

Our private rooms are designed to be equally suitable for a standing reception for 60, an intimate gathering at a single table or a banquet for 45.

Flexible Facilities

For music and video, our private rooms are fully equipped with all the latest audiovisual technology, including large plasma screens, surround sound and high-speed Wi-Fi, all discreetly serviced from a separate AV room.

Fabulous Flowers

Flowers bring every occasion to life, and our fabulous floral displays are created by the famous Belgravia florists Pulbrook & Gould, who can cater for any occasion.

The Sargent Room

The natural choice

Enjoying natural daylight, the mahogany-panelled Sargent Room features a grand (removable) mahogany dining table, and dramatic paintings by Kees van Dongen and John Singer Sargent, along with a discreetly concealed plasma screen for presentations.

Located on the ground floor, the 69m² room can be configured with a hand-made table to seat 20 diners, or as a banqueting room for up to 30 diners at three tables or 50 guests standing. The Sargent Room can be connected to the Munnings Room by a shared lobby, and serves well for drinks prior to dining in the Munnings Room.
