

WINE LIST: MARCH 2024

Welcome to Paladar! Our wine list has almost 70 wines sourced exclusively from the length and breadth of Latin America.

Most of the wines are from Argentina and Chile, but we have also uncovered some gems from countries not best known for wine production: Mexico, for example, is home to the oldest winery in the Americas, whilst Peru was producing quality wines by the early 1600s.

We also showcase some great wines from Brazil and Uruguay and less well-known regions of Argentina - Salta, Patagonia and San Juan - as well as from less familiar Chilean valleys, such as Huasco, Itata and Elqui.

The list also encompasses a wide range of different wine styles and grape varieties - some of which you may not be very familiar with, such as País, Petit/Gros Manseng, Teroldego, Cesar Noir, Grüner Veltliner, Friulano, Marselan and Torontel. We are more than happy to make suggestions!

Be bold and adventurous... We encourage you to discover the diversity of Latin American wines!
