SOMERS TOWN COFFEE HOUSE

Our award-winning pub is four venues in one and is the perfect hidden gem for your events, both large and small.

We have a mix of eclectic private spaces as well as a traditional timber clad British pub. We can cater for groups as small as 2 right up to 100 people. Ideal for celebrations, personal occasions, and corporate events.

We serve food all day and as well as our daily menu we have several packages to make booking an event clear and transparent.

Because we are an independent business, we can make changes to cater for all dietary requirements and our team are hands on to help and make your event memorable.

Bookings can be as simple as just running a tab and enjoying a few social drinks right through to a full three course private dining.

At our heart we are a pub and open to all.

The background image shows a bright, airy kitchen room. A large wooden table is set with blue glasses, water bottles, and plates of food. The table is surrounded by chairs with a colorful floral pattern. A large window on the left side of the room lets in natural light. The walls are decorated with several small framed pictures. A wooden shelf on the left holds various items, including a potted plant and folded towels. The overall atmosphere is warm and inviting.

The walls are covered in a light-colored, patterned wallpaper. A long, dark wooden table is set up in the center of the room, surrounded by black metal chairs. The table is set with white plates, glasses, and water bottles. To the left of the table is a long, low sofa with a patterned cushion and several white pillows. A window with a red blind is visible in the background. To the right, there is a small table with a black top and a brick wall behind it.
