*Paris taught us elegance*

*Birmingham taught us industry*

*Madeleine is where they meet.*

Madeleine is a place where the familiar has quietly been rebuilt. Nothing here has been left untouched, yet nothing is altered beyond recognition. Ingredients are pressed, time is shaped, and classic ideas are reduced until only structure and intent remain.

Champagne is treated as a language rather than a celebration, speaking in light acidity, and restraint.

Cocktails inspired by the city and its muses arrive as considered expressions rather than declarations. They are shaped through fermentation, aroma, and precision. Some are bright and immediate, others deeper and more restrained, yet all are designed to hold a moment rather than overwhelm it.

What follows has been created, for you.

Welcome to Madeleine at The Grand  
Hotel Birmingham

# Madeleine

EST 1879

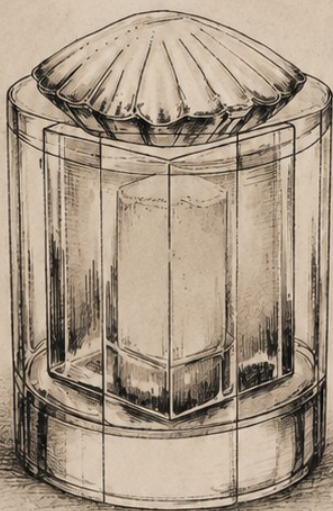

THE  
GRAND HOTEL  
BIRMINGHAM

In 1879, The Grand opened its doors as a celebration of Birmingham's confidence and craftsmanship. Today, Madeleine honours that legacy with cocktails shaped by memory and quiet sophistication.

# The 1879

*Cognac, Bourbon, Disarano, Butter, Vanilla and Orange  
(Ml)*

**£17:00**

Our signature 1879 takes its name from that year, when it all began and its inspiration from our namesake, the French madeleine. Proust's celebrated "memory incarnate." Butter, vanilla and bright citrus unfold into a drink that lingers long after the final sip, inviting memories to be made as much as remembered.
