LONDON'S COLOURFUL HISTORY.**

ABOUT

Following a full refurbishment that has transformed this 19th century pub back to life, the Walmer Castle has begun a new chapter that celebrates both its community history and contemporary local and broader British creativity. Named after the Kentish castle, this Victorian pub helped shape the unique community and rich history of the area. Beautifully designed by West-London based interior design studio, Isabella Worsley, the pub comprises of three storeys that bring together a handsome traditional pub bar (dogs welcome), complete with wooden panelling and artworks by British artists all themed around drinking, hedonism and fun, a beautiful restaurant and an intimate private dining room.

FOOD & DRINK

Our approach to food is all about bringing together the best ingredients simply and deliciously. Our menu offers unfussy, British-inspired cooking, showcasing the best local and seasonal produce. We work closely with a small collection of long-standing, award-winning suppliers to create a regularly changing, seasonal menu. Our broad and adventurous drinks list is made up of wines, beers and spirits sourced from small, independent producers from around the world.

PRIVATE DINING & EVENTS

The Westbourne Room

The second-floor Westbourne Room has a large dining table that seats 18 and is perfect for an intimate dinner with friends. The room has been beautifully decorated with warmly patterned Robert Kime wallpaper, tactile fabric textures, handmade leather dining chairs, beautiful antique chests and a bespoke dining table designed by local craftsman Matthew Cox. The space is also provided with a hidden HD TV and Sonos sound system.

PRIVATE DINING & EVENTS

The Lonsdale Room

Our restaurant, The Lonsdale Room, located on the first floor can be transformed into a beautiful private dining room perfect for hosting large dinners or gatherings for drinks and canapés. Complete with its own bar and a cosy snug, this impressive space has been carefully designed with raffia wall covering, two open fireplaces, a smart wine cabinet and elegant artworks. The room can accommodate 50 guests for a seated dinner and up to 100 guests for a standing event for drinks and canapés. The room is complete with a hidden HD TV and Sonos sound system.
