T&Cs

If you decide to confirm your event with us, we will require a non-refundable deposit of 50% of the estimated spend in order to secure your booking. The remaining 50% of the estimated spend is payable 2 weeks before your event. Any addition of the final bill will be charged on the night of the event.

Deposits are Non-Refundable, although should we have 14 days notice, the event can be moved to any available date within 3 months

Please note that our wine and food selection is subject to change and price fluctuation. As we directly import wine from small producers, some times we run out. We will let you know if this happens and make a suggestion of something equally as delicious.

A 12.5% service charge will be additional on your bill.

For private dining, pre-orders are required 7 days in advance (this may increase to 14 days during busy periods)

For bookings whereby a minimum spend is agreed, should this minimum spent not be reached during the event, the minimum spend must be upheld and no credit or monetary value will be issued by Vivat Bacchus to meet it.
