

BLOOM & BALANCE

At SiLVA, our cocktails are more than drinks - they are stories in a glass.

Each one draws inspiration from the poetry of flowers, the vibrancy of the Mediterranean, and the quiet beauty of the forest. Crafted with foraged ingredients, delicate infusions and a touch of playfulness, they reimagine timeless classics as modern harmonies. From honeyed warmth and aromatic spices to citrus brightness and floral freshness, every cocktail is designed to reflect SiLVA 's spirit - elegant, seasonal, and always intriguing.
