**BROUGHTON**  
— PUBLIC HOUSE & EATERY —

Welcome to The Broughton. We are one of the neighbourhood's more recent editions joining the street in 2019 to give the community a shared space to relax, get together and enjoy delicious food and drink. We like to think of ourselves as "Everyone's Local"; somewhere that is open and inclusive to all whether it's a quick drink in the pub after work or a special occasion with friends and family.

Spring is about to sprung and the days are stretching out slowly before us. Whether it's date night, rugby weekends or a proper knees-up we're here with new cocktails, a fresh wine menu and everything you need for a good time.

As a member of the Rocca Group, a small family run business, we set our sights on excellence and we're always looking to improve on what we can offer to our guests. We are very proud to have featured in the Michelin Guide since 2021. All of that is only possible thanks to the amazing support from our local community.

# Your Broughton Signatures.

*Our collection of signature cocktails are designed and inspired by our wonderful bar team. Don't forget to check out the back of the menu for our 'low and no ' menu.*

## The '25

12.50

*Crement d'Alsace Prestige Brut, Avante XO cognac, demerara*

Our celebratory twist on the classic *Champagne Cocktail* which we developed to help ring in the New Year. We liked it so much we thought we'd keep it on for a little longer!

## The Cherry Blossom

12.50

*Secret Garden Wild Gin, Martini ambrato, cherry*

Stirred down and served up, this Signature was developed with Secret Garden distilleries based across town in the beautiful Pentland Hills. Check out their organic herb garden and all the amazing work they are doing to bring nature's best to the world of gin.

## Our Espresso Martini

11.50

*Stoly Vanilla, homemade coffee liqueur, Kimbo espresso, sugar*

Our Espresso Martinis are legendary! Our homemade liqueur is flavoured with cinnamon and star anise to lend an extra dimension to this caffeinated classic.

## Rum Raisin

11.50

*Edinburgh Spiced Rum, Diatomists 5 yo Pedro Ximenez, cognac, orange bitters*

Stirred down and served on the rocks. The figgy, jammy sherry and butterscotch rum combine for a decadent dessert in a glass kind of cocktail.

## Barrel-aged Maple Old Fashioned

13.00

*Bulleit Bourbon, Canadian maple, Angostura bitters, orange bitters*

We've added delicious maple syrup to our Old Fashioned mix and aged the cocktail in new American oak casks for over a month to round the flavours, deepen the sweetness and altogether intensify this king of classics!

## The Gordal Martini

11.50

*Eristof, Martini Extra Dry, Perello olive brine*

The best way to enjoy a dirty martini is with Perello's stupendously savoury, umami-y goral olives. The subtly spiced brine gives the most satisfying kick to the king of classic aperitifs.

## The Penicillin

9.50

*Buffalo Trace, honey, ginger, lemon, Port Charlotte*

Just the medicine to help keep the wintery blues at bay. This modern classic was invented by the legendary Sam Ross in New York's *Milk & Honey*. Sweet and spicy with a burst of fresh citrus, just what the doctor ordered.

*Try our 'free' version with the Feragaia Pencillin- 8.50*

## Sazerac

11.00

*Sazerac Rye, Peychaud, Angostura, sugar*

Stirred down and served up. This heady mix of spicy rye and aromatic bitters is a true delight. With notes of clove, anise and caramel, this pre-Prohibition classic is booze forward and proud of it.

## Cosmopolitan

10.50

*Stoly Citron, Cointreau, Cranberry, lime*

Shaken and served up, this is another staple of the modern cocktail renaissance. Bright and citrusy with a tart twist note from the cranberry.

*-Try our 'free' version: Cranberry, marmalade, lime 6.00*

## Elderflower Fizz

9.50

*Eristoff, St Germain, lime, soda*

Sweet and floral served long with lashings of ice and sparkling water. This early Spring refresher will have you planning your summer holidays as you sip.

## Negroni

10.50

*Tanqueray, sweet vermouth, Campari, orange bitters*

Barrel-aged for extra complexity and a subtly vanilla note, this delightful serve is perhaps the oldest and noblest in the cocktail tradition. For when nothing else will do!

*Let us know if there is something you're after that we don't have on our menu and we'll see what we can do!*
