Christmas - Coming Soon

WELCOME

Nestled in the heart of Teddington, Shambles is an independently run restaurant and wine bar that's teamed by siblings Margherita and Massimo, both with a huge passion for food & wine.

Our name 'Shambles', meaning Butcher's Stall/Slaughter House, is a nod to the history of the rustic and charming grade II listed premises.

Group Bookings

For reservations of 12 or more guests.

We create our menus seasonally and for groups we can write menus bespoke to your taste and budget.

For parties of 12 or more adult guests we require pre ordering. A special menu and an easy-to-use spreadsheet will be provided to help you gather your guests' choices. We ask when possible that pre orders are provided 1 week prior to the booking date and to guarantee certain wines it's best to also pre order these.

For groups of 20 or more guests, name place settings are strongly recommended with your guests' chosen meals beside each name.

If pre ordering is not possible, we can discuss a menu where everyone eats the same. Dietary requirements can still be catered for.
