The perfect experience for group dining

AREPA & CO

In Venezuela, sharing a meal is about connection, especially on special occasions. That's why we created our **TASTING MENU**, a true expression of Venezuelan culture and hospitality, designed to be shared and enjoyed together.

With a casual, relaxed atmosphere, friendly service, great food, and a vibrant Latin vibe, Arepa & Co is the perfect place to gather with family and friends and enjoy a memorable meal.

Join us and experience it for yourself.
