Why visit US THIS YEAR

BESPOKE PACKAGES

Vagabond isn't your average wine bar. We're nine venues strong (eight in London, one in Birmingham) and we do things a little differently.

Think 100+ wines on tap, self-serve machines that make you feel like a sommelier-in-training, and a crew who actually love what they do. Whether you're wrangling your mates, your team, or just your tastebuds, our hosted wine tastings are the ultimate way to sip, swirl, and seriously level up your wine game.

BEAUTIFUL SPACES

From cosy private dining rooms to buzzing rooftop hangouts, our bars were basically made for good times. Whether you're throwing a birthday bash, treating the team, or trying to impress the client who "only drinks orange wine," we've got the space, the experience, and the wine list to back it up.

Each Vagabond is kitted out with stylish interiors, top-tier hospitality, and over 100 wines ready to explore. We offer packages for full hire, partial hire or just getting a group together.

EXCEPTIONAL FOOD+ DRINK

With 100+ wines ready to pour at the push of a button (literally), plus bottles of bubbly, cocktails, craft beers and proper no-alcohol options – we've got something for every taste, mood, and occasion.

Feeling peckish? Our food menu's all about easy-going bites and shareable plates, with options for every diet.

Swing by for lunch? We've just launched new plates from £12, served Monday to Saturday, 12–3pm. Quick, tasty, and perfect with a cheeky glass of something crisp.

P.S. DID YOU KNOW WE ALSO NOW RUN WSET COURSES?
