Since its inception as a summer ballroom in the 19th century, the Belvedere's site has always been a place of magnificent gatherings. Today, our venue recaptures that spirit of Victorian revelry with added contemporary extravagance. Become a part of the restaurant's grand history, and let us help make your event truly remarkable through our range of offerings.

BELVEDERE

Loggia

Belvedere's most intimate space, the Loggia, is a luxurious private dining alcove overlooking the grand dining room. Fitted with rustic wicker chairs, arabesque chandeliers, terracotta walls and open Roman arches, the room's relaxed elegance is universal but is easily tailored for professional meetings, personal gatherings or small-scale special events.

Torrino

Upstairs, hidden from view, the Torrino room is a space of candid splendour from floor to ceiling. An arcade of stylised mullioned windows overlooking the park steeps the room in natural light. Plush pale-green sofas, an exposed brick fireplace and a private bar, make this an ideal setting for dinner and cocktail parties and other celebrations.

BELVEDERE

Top floor

The whole of Belvedere's upstairs facilities may be reserved for exclusive use, which includes the Loggia, Torrino and the outdoor Terrace. In this free-flowing arrangement, you will have privacy but maintain a discrete connection to the bustling atmosphere of the restaurant below. This flexible event space allows for both standing and sitting, depending on the requirement.

BELVEDERE

Terrace

Facing out onto the surrounding botanic vista, the Terrace gives guests a chance to enjoy a private lunch, dinner or drinks reception while taking in the cinematic grandeur of Holland Park.

BELVEDERE

Full monty

Belvedere is available for exclusive hire in all its magnificence. Tucked away in the heart of Holland Park, you can be sure to have complete privacy in one of London's most iconic venues.

The restaurant retains the original Grade II listed details, including ornate plasterwork, Venetian tapestry, and mirrors lining the walls. The premises encompass a splendid dining area featuring a centrepiece champagne bar, an upper-level lounge equipped with a separate bar, a cosy fire pit, a private dining alcove and an outdoor terrace with a spectacular view.
