MERCATO
METROPOLITANO

Founded in 2015, **Mercato Metropolitano (MM)** transforms forgotten urban spaces into vibrant community food markets, with over 100 food artisans across three London destinations with more openings planned. MM champions **sustainability, locally sourced ingredients and authentic international flavours.**

At its core, Mercato Metropolitano is about more than just food. It's a **regenerative community food movement** that nurtures connections between people and culture while supporting the planet in everything it does.
