

PRIVATE DINING

## AT THE GRIFFIN...

---

If you're looking for an intimate private space to host your next meal, our restored mezzanine, is just the place...

Nestled on the first floor of The Griffin, our mezzanine offers the perfect setting to enjoy a meal surrounded by close friends & family.

Indulge in delicious creativity from a choice of Menus that suit your party best, exceptional service & a space designed to make your celebration private, memorable & unique.

We would encourage getting in touch sooner rather than later, as our Mezzanine tends to be in high demand.

---

The image shows a restaurant mezzanine with a rustic, industrial aesthetic. Large, dark wooden beams are visible across the ceiling and walls. The space is dimly lit with warm, ambient lighting from small table lamps. Several tables are set with glassware and plates, and chairs are arranged around them. The overall atmosphere is cozy and intimate.

# THE MEZZANINE

Seats a maximum capacity of 25 guests on two separate tables

We had the most amazing lunch on the mezzanine following our legal wedding!  
The food was fab and we were so well looked after by Harry;  
he was super attentive and knowledgeable about the food and the wine.  
He really helped me make our special day feel special there.  
We can't wait to go back again!
