

Harmony: ‘The Tuesday Tasting’

Every week, Hakkasan’s wine team conducts a dedicated tasting session, trying out new wines with at least four different dishes from the menu:
if a wine does not work with one dish – even if it is great with the others
– it does not make the list.

All our wines (with the exception of the old vintages of fine wines)
are continually tasted as the vintages change, to ensure that they
complement our cuisine.

Guests with allergies and intolerances should make a member of the team aware before placing an order for food or beverages.

For any of our guests with severe allergies or intolerances, please be aware that although all due care is taken to prevent cross-contamination there is a risk that allergen ingredients may be present.

Prices include VAT at the current rate. A discretionary service charge of 13.5% will be added to your bill.
