

The image shows the interior of St Pancras Bar & Brasserie, located within the historic St Pancras International railway station. The space is characterized by its high, vaulted glass and steel roof. In the background, a large clock face is visible on the wall. The foreground features a long, light-colored marble bar with several modern, cylindrical pendant lights hanging above it. Blue upholstered bar stools are arranged along the bar. The overall atmosphere is sophisticated and modern, blending historical architecture with contemporary design.
