VENUE INFORMATION 2018

WELCOME TO THE FLAT!

Just Knock!

Hello From the Flatmates

- We are a **bar and restaurant** based on a **"flatshare" concept**, throwing weekly **house parties, dinner parties** and **private events** from our Fulham Road flat.
- We aim to create an **authentic, homely, and unpretentious** environment for guests to **eat, drink and dance**, enjoy **top notch food** and **killer cocktails** in a **fun and sociable** environment. Come with **three friends** and **leave with ten** we always say!
- For 3 straight years, we ran 'cult' pop-up **The Little Yellow Door** in **Notting Hill**. We figured being voted **"Best Bar in Notting Hill"** by DesignMyNight and **"Top 8 Bars in London"** by Zagat wasn't enough for us... so we moved **on to bigger and better things!**
- We opened **The Little Blue Door** in May 2018 to **continue doing what we do best**, already placing **"Top of the List"** by Tatler's **"Best Bars in London 2018"**, alongside **countless press** from **top news outlets** such as **The Nudge, The Handbook** and **The Evening Standard**. We're confident that, whatever the occasion, **we'll throw you a party to remember!**

Our Food

Every night's offering is **different** and changes according to how things work in a home - think **"The Ultimate Dinner Party"** on **Friday** night or **Saturday's "House Party"**, alongside **Bottomless Brunches** in our Kitchen and **traditional Sunday roasts** served **sharing style**.

The food menu's inspiration comes from a **revolving series of fictional flatmates**- think Pierre from Paris or Hank from America. The dishes are all designed with **sharing and bonding in mind**.

Memorable dishes have been **Hank's BBQ platter**, groaning with **home smoked meats, sauces and pickles** and the infamous **Cam'N'Bert** a **melted cheese dish** with **pear and truffle honey**, named after our pet goldfish.
