

This year we were awarded 'Two Cups' for our selection of bottles in the annual awards of excellence from Wine Spectator Magazine. As one of only nine restaurants in London we are hugely flattered and can't wait to share some of the selection with you. With well over 500 wines the list is long but we are happy to serve all of them by the glass thanks to Coravin Technology just ask one of our expert staff:

Dario, Andrea or Joao for a suggestion.

On a recent trip to champagne we had the opportunity to visit and taste with some amazing small vigneron. Many of the names on the bottles are not well known; but the liquid inside is lovingly crafted and full of character. We hope you enjoy discovering them as much as we did.
